

Small Tote Bag And Scarf

Finished Size of Bag: 11" x 12"

Finished Size of Scarf: 9" x 67½"

Materials:

- 1 Charm Pack - 42 Charm Squares
- ½m Contrasting Fabric (lining)
- ½m Flannel Fabric (Scarf backing)
- 2 Scraps of Fabric for Pocket (5½" x 9½") (Optional)
- Magnetic Clasps
- 1" Square of Thick Interfacing
- Wadding
- Rotary Cutter & Mat
- Ruler
- Threads

Small Tote

Method:

- 1) Pick out 12 Charm squares and make 4 rows of 3 squares. Join 2 rows together to make 2 units of 6 squares. Press.

- 2) From contrasting lining fabric, cut a piece of material - 7" x 13½" - and attach to square units - Unit A

- 3) Measure Unit A and cut wadding and rest of contrasting fabric (lining) to size of Unit A.
- 4) Place wadding on wrong side of Unit A and pin together. Quilt as desired. If wadding catches in machine, add muslin or calico to back of wadding so wadding is sandwiched between Unit A and calico/wadding.
- 5) Using scrap fabric, cut 2 pieces to 5½" x 9½", make a pocket. With right sides together, sew round and leaving an opening for turning. Press seams, clip corners, turn and press again. Sew onto lining about 4" down from lining top.

- 6) Centre and iron interfacing to the wrong sides of the lining about 1½" from lining tops - that is on both sides. Inside magnetic clasps into fabric through interfacing.
 - 7) With right sides facing, fold Unit A in half length-wise and sew down both sides. Align bottom and side edge, measure 1" from the tip and sew. Repeat for other side.
 - 8) Repeat step 7 for lining.
 - 9) Make straps from rest of contrasting fabric - join fabric if required for desired length.
 - 10) With right sides facing, place lining unit into bag body unit making sure to align edges and seams.
 - 11) Insert straps between lining and bag unit with strap loops facing downwards inside bag. Position straps about 2½" from edges.
 - 12) Sew around top leaving space for turning.
 - 13) Turn bag inside out through opening. Push lining into bag and top stitch round the top of the bag to seal opening.
 - 14) Embellish as desired and enjoy!!!
- Follow above steps to make second tote bag.

Scarf

Method:

- 1) Using remaining 30 squares from charm pack.
- 2) Sew them in pairs. Then sew the 15 pairs together to make the scarf top.

- 3) Using Flannel fabric, cut 4½" x W of fabric. Sew together along the short ends. Press.
- 4) With right sides together, sew together top and backing leaving an opening for turning.
- 5) Press, trim corners and turn around pushing out corners. Topstitch around the scarf edge.
- 6) Enjoy!!!!!!!!!!!!!!!!!!!!!!

Keep the 1 remaining charm square for another project. :-)
